### 1 Affected product versions

Product order code	Successor product
LISA-U230-01S	LARA series module

All orders of the above listed products placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

### 2 Reason for discontinuation

Due to the EOL of a critical component used in the LISA-U230 module variants, u-blox is forced to announce the end-of-life for the above listed product.

Our successor products offer better performance and more functionality.

### 3 Customer impact and recommended action

u-blox recommends migrating from the LISA-U230 to one of the LARA-R2 Cat1 series variants with 2G or 3G fallback. The footprints for the LARA modules were designed to ensure layout compatibility. The LARA-R2 series comes with enhanced performance and additional features.

Please consult local FAEs for further support.

### 4 Schedule

Last-time-buy date	16-July-2021
Last shipping date	31-January-2022

### 5 Contact

We thank you for your understanding and assure you our very best support. u-blox appreciates and values your continued business relationship and looks forward to your future interest in our outstanding product portfolio. Please contact your nearest u-blox sales team for any questions you may have.
